MEMORANDUM FOR: Director of Personnel

Fred:

1. George Carver gave the attachment to the Director at a recent Morning Meeting. A short discussion took place on the matter George raises in his memorandum. The Director then switched the thrust of the conversation and asked me to interest myself in the pros and cons of collective awards ceremonies as opposed to the individual type we conduct. He, and several others at the table, seemed to express a mildly sympathetic lean toward collective ceremonies.

2. Would you and your colleagues apply your impressive intellects to working the problem and let me have your mental regurgitations.
